TURKISH PAVILION AT RE+

After a record-breaking year in 2022, RE+ heads to Las Vegas with the largest and fastest-growing energy event in North America. Representing the full spectrum of industry sectors, RE+ features technology solutions, expert-led education sessions, and networking opportunities to move the clean energy industry forward.

The Turkish Pavilion at RE+ is reserved solely for booking by organizations headquartered in Turkey. The pavilion aims to showcase the country's renewable energy industry and offer Turkish companies an excellent platform to showcase their products and services to over 27,000 industry professionals.

Exhibit at RE+

- \$4,800 per 100 square feet (9m²)
- Expo Hall badges for booth personnel
- Customer Invitation Tickets
- Exhibitor listing on the event website and mobile app
- Pipe & Drape booth structure

Spaces are limited and available on a first-come, first-served basis.
