

Welcome to the third edition of **The Plus Side: The RE+ 25 Attendee Newsletter**, designed to keep you updated and engaged in RE+ 25! We're here to help you prepare for your time on-site now so you can make the most of your experience.

Missed a newsletter? Everything RE+ 25 can be found [here](#).

Navigating the RE+ 25 campus

RE+ 25 is the largest and most comprehensive clean energy event in North America, and we want to make sure you can experience as much as possible. From education sessions and workshops to a bustling show floor and networking events, the opportunities are endless. Below are all the ways you can navigate the RE+ 25 campus so you can explore everything it has to offer.

RE+ Connect App

RE+ Connect is your ultimate tool for navigating RE+ 25! Whether you are looking to connect with fellow attendees, plan out your schedule, or find your way around the venue, our app has you covered.

RE+ Connect Highlights

Profile Setup:

- Attendees can add a biography, social media, contact details, and additional information for easy searching capabilities. Setting up your profile helps provide more personalized AI recommendations.

Meetings & Connections:

- Add other attendees to your connections list for easy communication, as well as schedule meetings for your time on site. Based on your network, our app will recommend you connect with other clean energy industry peers with related interests.

Personalized Schedule:

- Keep track of flagged sessions, upcoming meetings, and exhibitors all in one place. After flagging sessions and exhibitors, our app will start giving you personalized recommendations.

Point-to-Point Directions:

- The RE+ campus map is interactive! Use this tool to quickly and easily get from one booth or landmark to another.

The app can be downloaded from the Apple or Android store or accessed via the web version. **Download the RE+ Connect app today to engage your RE+ 25 experience!**

WEB ACCESS

Getting around campus

This year, navigating the show will be easier than ever. Take advantage of the tools available to create the ultimate RE+ experience!

- **Point-to-point routing via RE+ Connect:** Get live directions around the show floor from booth-to-booth. Save time, stay on schedule, and make the most out of your on-site experience.
- **Touchscreen map kiosks:** You will find information kiosks throughout the RE+ campus. These informational hubs will be a key resource in exploring the show. Find your way to exhibitors, education sessions, and so much more.
- **Large "You Are Here" campus maps:** You'll find physical maps throughout the event so you can easily determine where you are on the RE+ campus.

Plus, look for printed map booklets, communication centers with multilingual support, and more.

NEW! The RE+ Bridge

Connecting directly between The Venetian Expo Level 2 and CAESARS FORUM, The RE+ Bridge seamlessly integrates the two locations into one experience. Brand new for RE+ 25, the RE+ Bridge will create an easy and smooth process for exploring the show floor and discovering everything RE+ has to offer.

Shuttle & Transportation Information

On-Site Transportation Shuttles

We offer a complimentary shuttle service for RE+ attendees throughout the week. Shuttles can be found servicing to/from The Venetian Expo & CAESARS FORUM Monday, September 8 - Thursday, September 11. There will also be a separate shuttle service for events taking place at Caesars Palace on Monday, September 8, and for The Annual Block Party at Allegiant Stadium on Tuesday, September 9. View the full schedule for more details.

Pre- & Post-Show Workshops

RE+ 25 offers two days of additional education in the form of workshops that dive deeper into the most pressing issues at the forefront of today's clean energy industry. Topics include hydrogen, microgrids and grid integration, and a variety of pv policy and operations topics. Workshops are offered on **Monday, September 8** and **Thursday, September 11**.

**Workshops are not included in any registration type. These sessions require an additional ticket which can be purchased separately or added on to your existing registration.*

RE+Source PRO

The platform everyone will be talking about at RE+ 25

Turn your next power system vision into a reality. Whether you're engineering a microgrid, sourcing hard-to-find components, or seeking trusted expertise, this intelligent platform delivers recommendations that are relevant, compatible, and ready to act on.

- **Create your profile** today and start matching with the partners, products, and possibilities that are built for your business ahead of arriving in Las Vegas.

- Want to speak with exhibitors at the show about your project? **Get matched** with the products and services you need. Companies exhibiting at RE+ 25 will have their booth number next to their profile so that you can meet them in person on-site.
- **See RE+Source PRO in action**, where you can try it out for yourself in a guided on-site demo. The RE+Source PRO kiosk is located at CAESARS FORUM, adjacent to the Grid Edge Theater.
- **Don't forget**, direct access to the platform is also available in the RE+ 25 app. Click the RE+Source PRO tile on the main app screen.

With RE+Source PRO, you can save time, reduce complexity, and confidently navigate the evolving landscape of power system solutions, all from a single, trusted platform. Start exploring today and bring your power systems to life!

Tribal Clean Energy Symposium at RE+

Monday, September 8 | 8:30 am - 4:30 pm

Curated and led by the Alliance for Tribal Clean Energy, the exclusive RE+ Tribal partner.

This year's program is designed to guide attendees through the why, how, and what of working respectfully and effectively with Tribal Nations on clean energy development in the current political climate.

**This event requires separate registration.*
